1. Executive Board Reports

**a) Patricia Pecoraro / Danielle Gibson– Co-Presidents**

Thank you everyone for coming to our meeting!

Saver Cards – We are doing a saver card this year. We have order forms here. The card is the size of a credit card. The establishments on the card are local. Cards should be coming in on Friday and they will be distributed through the schools. Cards can be purchased at a later date as well.

Open Board Position - Still looking for a Student Activities Director. The Student Activities Director does not need to attend the student activities. The director is a contact person and answers questions from the chairs.

Harlem Wizards game – Will be March 15<sup>th</sup>.

**b) Courtney McCormick - Vice President**

Spiritwear- The store is officially closed. Most spiritwear has been distributed to the schools. Spiritwear is always still available. We will open the store in November and there may even be some new designs available.

Movie Night – THIS FRIDAY Sing is the movie. It is a free event for families and friends. There is a company this year setting up the screen and the sound system so the volume won't be an issue. It's a giveback to the community, not a fundraiser. Come check it out. You don't need to register.

KidStuff Coupon Books – If you happen to still have a KidStuff coupon book at home and you don't want to purchase it, please send it back to school with your child.

**c) Amy Dimes - Fundraising / Sponsorship**

Fall Social – Friday, November 3<sup>rd</sup> 7-11 pm. Tomorrow is the second meeting for the planning of the social. Please come join us. There will be dinner, dessert, and live music.

Fall Social Sponsorship Opportunities – We are hoping to have some of our cocktails sponsored as well as a cigar rolling sponsor. We are also doing a cork pull and asking for wine and liquor donations. We also need a favor sponsor.

There are additional sponsorships available on the newsletter and the app.

**d) Stephanie Collura- Communications Director**

Registration - Phase 1 of registration is complete. 302 families have registered thus far. We also have 75 teachers and staff registered. Phase 2 is open, but you can't select volunteer opportunities in the registration. Once registered, all registrants should receive an email for the Directory App. Directory Spot (the new directory app) has all emails listed. Members are able to edit information on the app if there is a typo/change.
