

Welcome everyone to another exciting school year!

For those of you who are new to Friends of Different Learners (FODL), it is a community designed to help parents of children who have different learning styles by providing parent-to-parent advice, access to presentations by professionals, and an informal way to interact with the Special Services staff of the District.

All of us at FODL are looking forward to an impactful and enriching year. We have begun researching dynamic speakers and current topics to bring you information to inspire and enlighten you. Please "like" our Facebook Page: Colts Neck Friends of Different Learners. This forum will keep you abreast of upcoming events and other happenings in the community that may be of interest.
