School Supplies Update: We are looking at a second company to bring the costs down. The new company stays open until August so there will be additional time to place the order. We are also looking into both home delivery and school delivery.

5K – Color Run: The date is April 29th. Registration is open online. The Color Run cost is \$30. We are getting sponsors, but we still need t-shirt sponsors (2 sponsors, \$500 each). There will be a kick-off in April, where a representative goes to the lunches at Cedar, Elementary, and some at Primary.

Superintendent/Principal of the Day - Thank you Sharon Johnson for chairing the committee. We raised over \$1400. The winners are: Marissa Mesomonta for the Primary School, Abigail Riddle for the Elementary School, Sophia Deitrich for Cedar, and Morgan Buckwald for Superintendent. This will occur on April 4th. The winners will have lunch with the administration.

b) Courtney McCormick - Vice President

Mini grant - We need approval for additional travel costs for the science show being held at the Primary School. The travel cost is \$140, but the expected cost was \$75. We need to approve the additional \$65.
