

BE A PART OF THE TRADITION OF GIVING

The Colts Neck PTO organizes several fun events throughout the school year, each presenting multiple tiers of sponsorship opportunities available for you to showcase your business in front of over 600 Colts Neck families and teachers.

The mission of the PTO is to promote the intellectual, social, and ethical welfare of our children through a close relationship between school and home. We serve close to 1000 children in grades Pre-K through 8th grade in three schools in the Colts Neck School District. The PTO provides support for teacher-driven initiatives that enhance the curriculum, programs in the arts and sciences, enhancements in equipment and technology, and activities focused on academic and social development.

Please consider becoming a PTO Sponsor. Without your generosity, our Parent Teacher Organization will not be able to provide the many wonderful programs that develop today's youth into tomorrow's leaders.
