Administration Reports

Dr. MaryJane Garibay, Superintendent -Thanks and appreciation to the parents and students. As the school year ends, we are planning a September Pre-Pandemic. According to the Safe Return American Recover Act- Looking at a full return, mask flexibility- there has been no guidance to say no when plans need to be submitted by June 24th. September full remote will not be an option. In home instruction will be for those that need to be accommodated. Its open for parents to see. A piece of the plan that will hopefully be approved is for the Tier approach. Green/yellow/red. Based upon Covid Activity levels and based on a phased approach. Local legislators were listening no guidance is not as ambiguous.

There will be an in person 8th Grade Graduation at CNHS outside on the football field.
