

# 8th Grade Graduation Ads

Let your graduate know how proud you are by placing a congratulatory ad in the 2024 Cedar Drive Middle School graduation program. These ads are a great way to celebrate your graduate's hard work, and they make great keepsakes.

Full or half-pages are available, and pictures can be included (.jpg format, 300dpi works best) along with a special message to your graduate.

- **\$25: Half-page Congratulations (B&W, with or without 1 photo)**
- **\$50: Full-page Congratulations (B&W, with or without up to 3 photos)**

We also offer a Shout-Out section just for students. Students may want to wish each other well as they go off to high school or to thank a favorite teacher. Faculty/staff may also use this section to congratulate their students. One line is considered 25 characters/spaces.

- **\$1 per 25 characters: Student/faculty shout-outs**

Please make all checks payable to CNPTO and mail with your completed form to Stephanie Collura at 11 Longview Drive, Colts Neck, NJ 07722. Venmo is also accepted @ColtsNeckPTO; please include "Graduation Ad with ad size and/or # of shout-out lines" in the memo.

Please email congratulatory messages and photos to: [CDMSGraduationAds@coltsneckpto.org](mailto:CDMSGraduationAds@coltsneckpto.org). Shout-outs can also be emailed, or you may use the attached form.

**ALL ADS, PHOTOS, SHOUT-OUTS, AND PAYMENTS ARE DUE BY MAY 17TH!!**
