The Read-a-thon is almost ending. We are helping to build literacy skills. We seem to have more of the younger readers. There are 610 readers registered and we are up to 83000 minutes. The PTO makes 75% of the \$18000+ that was raised. We will work on sending acknowledgments after the event, get the pizza parties going, and some principals offered added extra prizes. It worked well.
