

Dear 8th Grade Parents,

This is an exciting year for our 8th graders and before we know it, we will be celebrating their graduation and transition to high school!

Traditionally a montage of photos from kindergarten through 8th grade is prepared and presented to the students at their 8th grade dance. The montage link is shared with all families to download as a keepsake. This year I will be spearheading this project and need your help.

In the next two months I will be compiling, sorting and arranging digital photos to document all the students' last nine years of school. Of course, I will do my best to make sure every student is included in the montage. To ensure that this goal is achieved I am asking for your help.

Please send at least two photos of your child. Please keep in mind the photos **MUST BE SCHOOL RELATED**. **Group photos work best** because there are over 100 students in the graduating class.

For example, **please look for any photos from:** class parties, class trips, Field Day, Halloween Parade, band or choir performances, Cedar sports teams, PTO activities & events, stage productions, after school clubs and any other school function. If you were a class volunteer we would appreciate any group photos you may have.

Please:

- Email photos to Classof2024@coltsneckpto.org.
- Include your child's name and the school event/school year when the photo was taken.
- Do not send professional photos. These cannot be included in the montage.
- .jpg photo files only
- If submitting multiple pictures, please rename with your last name in the title of the file (i.e. Smith1_2021_7th)
- **Submission deadline is April 15, 2024.**

The montage takes time to put together and I want to be sure everyone is included, so please submit by April 15th

Thank you.
